**PROXY STATEMENT FOR THE  
2014 ANNUAL MEETING OF STOCKHOLDERS  
TO BE HELD ON MAY 16, 2014**

**QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING**

**Why am I receiving these materials?**

We have sent you this proxy statement, our Annual Report on Form 10-K for the fiscal year ended 2013 and the proxy card, or, collectively, the Proxy Materials, because our Board of Directors, or the Board, is soliciting your proxy to vote at the 2014 Annual Meeting of Stockholders, or the Annual Meeting. This proxy statement summarizes the information you will need to know to cast an informed vote at the Annual Meeting. You do not need to attend the Annual Meeting to vote your shares. You may vote by proxy over the telephone, Internet or by mail, and your votes will be cast for you at the Annual Meeting. This process is described below in the section entitled "Voting Procedures."

We plan to mail the Proxy Materials to all stockholders entitled to vote on or about April 4, 2014. If you owned our common stock as of the close of business on March 17, 2014, the record date, you are entitled to vote at the Annual Meeting. As used in this proxy statement, "we," "us" and "our" refer to Five Prime Therapeutics, Inc. The term "Annual Meeting," as used in this proxy statement, includes any adjournment or postponement of such meeting.

**Will I receive any other proxy materials?**

Rules adopted by the Securities and Exchange Commission, or the SEC, allow companies to send stockholders a notice of Internet availability of proxy materials, rather than mail them full sets of proxy materials. This year, we chose to mail full packages of Proxy Materials to stockholders. However, in the future we may take advantage of the Internet distribution option. If, in the future, we choose to send such notices, they would contain instructions on how stockholders can access our notice of annual meeting and proxy statement via the Internet. They would also contain instructions on how stockholders could request to receive their materials electronically or in printed form on a one-time or ongoing basis.

**Who can vote at the Annual Meeting?**

Only stockholders of record as of the close of business on March 17, 2014, will be entitled to vote at the Annual Meeting. On this date, there were 20,292,902 shares of common stock issued and outstanding and entitled to vote.

*Stockholder of Record: Shares Registered in Your Name*

If on March 17, 2014, your shares were registered directly in your name with our transfer agent, Computershare Trust Company, N.A., then you are a stockholder of record. As a stockholder of record, you may (a) vote in person at the Annual Meeting or (b) vote by proxy. Whether or not you plan to attend the Annual Meeting, we urge you to vote by proxy over the telephone, Internet or by mail as instructed below to ensure your vote is counted.

*Beneficial Owner: Shares Registered in the Name of a Broker or Bank*

If on March 17, 2014, your shares were held not in your name, but rather in an account at a brokerage firm, bank, dealer or other similar organization, then you are the beneficial owner of shares held in "street name" and these Proxy Materials are being forwarded to you by that organization. The organization holding your account is considered to be the stockholder of record for purposes of voting at the Annual Meeting.

---

## [Table of Contents](#)

As a beneficial owner, you have the right to direct your broker or other agent regarding how to vote the shares in your account. Simply complete and mail the proxy card and voting instructions to ensure that your vote is counted. Alternatively, you may vote by telephone or over the Internet as instructed by your broker or bank, if applicable. To vote in person at the Annual Meeting, you must obtain a valid proxy from your broker, bank or other agent. Follow the instructions from your broker or bank included with these Proxy Materials, or contact your broker or bank to request a proxy form.

### **What is the quorum requirement?**

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if stockholders holding at least a majority of our outstanding shares of common stock entitled to vote at the Annual Meeting are present at the Annual Meeting in person or represented by proxy.

We will count your shares towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you vote in person at the Annual Meeting or vote by proxy over the telephone or the Internet as instructed below. We will count abstentions and broker non-votes towards the quorum requirement. If there is no quorum, the chairperson of the Annual Meeting or the holders of a majority of shares present at the Annual Meeting in person or represented by proxy may adjourn the Annual Meeting to another date.

### **What am I voting on and how many votes are needed to approve each proposal?**

*Proposal 1: Election of Directors.* Directors will be elected by a plurality of the votes cast at the Annual Meeting by the holders of shares present in person or represented by proxy and entitled to vote on the election of directors. Plurality means that the individuals who receive the largest number of “For” votes cast are elected as directors up to the maximum number of directors to be elected at the Annual Meeting. Accordingly, the three nominees receiving the most “For” votes will be elected as directors. Abstentions and broker non-votes will not affect the outcome of the election of directors. You may not vote your shares cumulatively for the election of directors.

*Proposal 2: Ratification of Appointment of Independent Registered Public Accounting Firm.* The ratification of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2014, will require “For” votes from a majority of the votes cast at the Annual Meeting by the holders of shares present in person or represented by proxy and entitled to vote on this proposal. We do not count abstentions and broker non-votes as votes cast and they will have no effect on the vote.

### **What are broker non-votes?**

Broker non-votes occur when a beneficial owner of shares held in “street name” does not give instructions to the broker or nominee holding the shares as to how to vote on matters deemed “non-routine.” Generally, if shares are held in street name, the beneficial owner of the shares is entitled to give voting instructions to the broker or nominee holding the shares. If the beneficial owner does not provide voting instructions, the broker or nominee may vote the shares with respect to matters that are considered to be “routine,” but may not vote the shares with respect to “non-routine” matters. Proposal 1 is considered “non-routine” and Proposal 2 is considered “routine” under The NASDAQ Marketplace Rules, or the NASDAQ Listing Rules.

### **How many votes do I have?**

On each matter to be voted upon, you have one vote for each share of common stock you own as of the close of business on March 17, 2014. The number of shares you own (and may vote) is listed on the proxy card.

### **What does it mean if I receive more than one proxy card?**

You may receive more than one proxy card if your shares are registered in more than one name or are registered in different accounts. Please complete, sign and return each proxy card to ensure that all of your shares are voted.

---

## [Table of Contents](#)

### **How does the Board recommend that I vote my shares?**

Unless you give other instructions on your proxy card, the persons named as proxies on the card will vote in accordance with the recommendations of the Board. The Board's recommendation is set forth together with the description of each item in this proxy statement. The Board recommends a vote:

- “For” the election of the three nominees to the Board; and
- “For” the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2014.

With respect to any other matter that properly comes before the Annual Meeting, the proxies will vote as recommended by the Board or, if no recommendation is given, in their own discretion based on our best interest and that of our stockholders. As of the date of this proxy statement, we know of no other matters that may be presented at the Annual Meeting, other than those listed in the Notice of Annual Meeting of Stockholders.

### **How do I vote?**

You may either vote “For” all the nominees to the Board or you may “Withhold” your vote for any nominee you specify. For the other matter to be voted on, you may vote “For” or “Against” or abstain from voting. The procedures for voting are as follows:

#### *Stockholder of Record: Shares Registered in Your Name*

If you are a stockholder of record, you may (a) vote in person at the Annual Meeting or (b) vote by proxy. Whether or not you plan to attend the Annual Meeting, we urge you to vote by proxy over the telephone, Internet or by mail as instructed below to ensure your vote is counted. You may still attend the Annual Meeting and vote in person even if you have already voted by proxy.

- To vote in person, come to the Annual Meeting and we will give you a ballot when you arrive.
- To vote over the telephone, dial toll-free 1-800-652-8683 using a touch-tone phone and follow the recorded instructions. You will be asked to provide your control number from the proxy card. Your vote must be received by 11:59 P.M., Pacific time on May 15, 2014, to be counted.
- To vote on the Internet, go to [www.investorvote.com/FPRX](http://www.investorvote.com/FPRX) to complete an electronic proxy card. You will be asked to provide your control number from the proxy card. Your vote must be received by 11:59 P.M., Pacific time on May 15, 2014, to be counted.
- To vote by mail, simply complete, sign and date the proxy card and return it promptly in the envelope provided. If you return your signed proxy card to us before the Annual Meeting, the designated proxy holders will vote your shares as you direct.

**If you sign the proxy card but do not make specific choices, your proxy will vote your shares “For” all nominees in Proposal 1 and “For” Proposal 2 as set forth in the Notice of Annual Meeting of Stockholders.**

If any other matter is presented, the proxies will vote as recommended by the Board or, if no recommendation is given, in their own discretion based on our best interest and that of our stockholders. As of the date of this proxy statement, we know of no other matters that may be presented at the Annual Meeting, other than those listed in the Notice of Annual Meeting of Stockholders.

#### *Beneficial Owner: Shares Registered in the Name of Broker or Bank*

If you are a beneficial owner of shares held in “street name,” you should have received a proxy card and voting instructions with these Proxy Materials from that organization rather than from us. Simply complete and mail the proxy card and voting instructions to ensure that your vote is counted. Alternatively, you may vote by telephone or over the Internet as instructed by your broker, bank or other agent, if applicable. To vote in person at the

Annual Meeting, you must obtain a valid proxy from your broker, bank or other agent. Follow the instructions from your broker, bank or other agent included with these Proxy Materials, or contact your broker, bank or other agent to request a proxy form.

### **May I change my vote after submitting my proxy card?**

Yes. You may revoke your proxy at any time before the final vote at the Annual Meeting. If you are the stockholder of record of your shares, you may revoke your proxy in any one of the following four ways:

- send a timely written revocation of the proxy to our Secretary;
- enter a new vote over the Internet or by telephone;
- attend and vote in person at the Annual Meeting; or
- submit another signed proxy card bearing a later date.

If your shares are not registered in your own name, you will need the appropriate documentation from the stockholder of record to vote personally at the Annual Meeting. Examples of such documentation include a broker's statement, letter or other document that will confirm your ownership of the shares. If your shares are held by your broker, bank or another party as a nominee or agent, you should follow the instructions provided by such party.

Your personal attendance at the Annual Meeting does not revoke your proxy. Your last vote, prior to or at the Annual Meeting, is the vote that we will count.

### **Who will bear the expense of soliciting proxies?**

We will bear the cost of solicitation of proxies, including preparation, assembly, printing and mailing of the Proxy Materials and any additional information furnished to stockholders. Copies of solicitation materials will be furnished to banks, brokerage houses, fiduciaries and custodians holding in their names shares of our common stock beneficially owned by others to forward to such beneficial owners. We may reimburse persons representing beneficial owners of our common stock for their costs of forwarding solicitation materials to such beneficial owners. Original solicitation of proxies by mail may be supplemented by telephone, telegram or personal solicitation by our directors, officers or other regular employees. No additional compensation will be paid to directors, officers or other regular employees for such services.

### **How can I find the voting results from the Annual Meeting?**

We will announce preliminary voting results at our Annual Meeting. We will publish final voting results in a Current Report on Form 8-K that we expect to file no later than May 21, 2014. If final voting results are not available by May 21, 2014, we will disclose the preliminary results in the Current Report on Form 8-K and, within four business days after the final voting results are known to us, file an amended Current Report on Form 8-K to disclose the final voting results.

### **When are stockholder proposals due for the 2015 Annual Meeting of Stockholders?**

If you wish to submit proposals for inclusion in our proxy statement for the 2015 annual meeting of stockholders, or the 2015 Annual Meeting, we must receive them on or before December 5, 2014, pursuant to the proxy soliciting regulations of the SEC. Nothing in this paragraph shall require us to include in our proxy statement and proxy card for the 2015 Annual Meeting any stockholder proposal that does not meet the requirements of the SEC in effect at the time. Any such proposal will be subject to Rule 14a-8 of the Securities Exchange Act of 1934, as amended, or the Exchange Act.

**How can I get additional information about the company?**

This proxy statement and our annual report to stockholders for the year ended December 31, 2013 are available free of charge at [investor.fiveprime.com/sec.cfm](http://investor.fiveprime.com/sec.cfm). In addition, the SEC maintains a website at [www.sec.gov](http://www.sec.gov) that contains reports, proxy statements and other information regarding registrants, including our company, including other documents filed pursuant to Sections 13(a), 13(c), 14 or 15(d) of the Exchange Act.

**PROPOSAL 1**  
**ELECTION OF DIRECTORS**

**General**

Our Board currently comprises eight directors. Our amended and restated certificate of incorporation provides for a classified Board consisting of three classes of directors. Two classes consist of three directors and one class consists of two directors. Each class serves a staggered three-year term. At each annual meeting of stockholders, the successors to directors whose terms then expire will be elected to serve from the time of election and qualification until the third annual meeting following their election.

Upon the recommendation of the nominating and corporate governance committee, our Board has nominated the three individuals listed in the table below for election as directors at the Annual Meeting. If you elect the nominees listed below, they will hold office until the annual meeting of stockholders in 2017 or until their successors have been duly elected and qualified. All nominees are currently serving on our Board and have consented to being named in this proxy statement and to serve if elected.

If any nominee is unable or does not qualify to serve, you or your proxy may vote for another nominee proposed by the Board. If for any reason these nominees prove unable or unwilling to stand for election or cease to qualify to serve as directors, the Board will nominate alternates or reduce the size of the Board to eliminate the vacancies. The Board has no reason to believe that any of the nominees would prove unable to serve if elected. There are no arrangements or understandings between us and any director, or nominee for directorship, pursuant to which such person was selected as a director or nominee.

**Vote Required**

Directors are elected by a plurality of the votes cast at the Annual Meeting by the holders of shares present in person or represented by proxy and entitled to vote on the election of directors. The three nominees receiving the most "For" votes will be elected as directors. You may not vote your shares cumulatively for the election of directors. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the three nominees named above. If any nominee becomes unavailable for election as a result of an unexpected occurrence, your shares will be voted for the election of a substitute nominee proposed by our Board.

**Nominees for Election**

**Brian G. Atwood** has served as a member of our Board since May 2002 and as Chairman of the Board since January 2012. Since 1999, Mr. Atwood has served as Managing Director of Versant Ventures, a healthcare-focused venture capital firm he co-founded. Prior to co-founding Versant Ventures, Mr. Atwood spent four years at Brentwood Associates, a venture capital firm, where, as a general partner, he led investments in biotechnology, pharmaceuticals and bioinformatics. Mr. Atwood was also the founder, President and Chief Executive Officer of Glycomed, Inc., a public biotechnology company. **R. Lee Douglas** has served as a member of our Board since January 2002. Since 1998, Mr. Douglas has been an independent consultant to biotechnology companies. Since 2003, he also has been a visiting scholar in the laboratory of Dr. Matthew Welch, Department of Molecular & Cell Biology at the University of California, Berkeley. Mr. Douglas received a B.A. from University of North Carolina at Charlotte, an M.C.R.P. from the Harvard Graduate School of Design and an M.B.A. from Harvard Business School. We believe that Mr. Douglas’s experience serving as a director of other publicly traded

and privately held life science companies and co-founding and serving in several executive positions of a public biopharmaceutical company and in the venture capital industry gives him the qualifications, skills and financial expertise to serve on our Board.

**Mark D. McDade** has served as a member of our Board since July 2006. Mr. McDade currently serves as Executive Vice President, Established Brands, Solutions and Supply, at UCB S.A., which he joined in April 2008. UCB is a global biopharmaceutical company focused on the discovery and development of innovative medicines. Mr. McDade previously served as Chief Executive Officer and a member of the board of directors of PDL BioPharma, Inc., a biotechnology company, and as Chief Executive Officer of Signature BioScience, Inc., a drug discovery company focused on developing treatments and leads for cancer and other diseases. Mr. McDade also served as an officer and a director of Corixa Corporation, a company he co-founded, which focused on developing innovative products that regulate immunity. At Corixa, he most recently served as its President and Chief Operating Officer. Mr. McDade received a B.A. from Dartmouth College and an M.B.A. from Harvard Business School. We believe that Mr. McDade's experience serving in several executive positions with public biopharmaceutical companies, his experience co-founding a life sciences company and his extensive business development and operations experience give him the qualifications, skills and financial expertise to serve on our Board.

### **Continuing Directors**

**Fred E. Cohen, M.D., D.Phil.** has served as a member of our Board since May 2002. ### **Corporate Governance**

#### **Board of Directors**

The Board oversees our business and monitors the performance of our management. In accordance with our corporate governance procedures, the Board does not involve itself in our day-to-day operations. Our executive officers and management oversee our day-to-day operations. Our directors fulfill their duties and responsibilities by attending meetings of the Board, which are held from time to time. The independent directors meet in executive sessions without management or any non-independent directors at least quarterly. The purpose of these executive sessions is to promote open and candid discussion among the non-employee directors.

The Board held nine meetings during the year ended December 31, 2013. Each incumbent director attended at least 75% of the total of (i) the meetings of the Board held during the period for which he has been a director and (ii) the meetings of the committee(s) on which that particular director served during such period.

It is our policy to encourage our directors to attend the Annual Meeting. As a newly public company, we did not hold an annual meeting of stockholders in 2013. It is currently anticipated that all members of the Board will attend the Annual Meeting.

#### **Board of Directors Independence**

Rule 5605 of the NASDAQ Listing Rules requires that independent directors compose a majority of a listed company's board of directors. In addition, the NASDAQ Listing Rules require that, subject to specified exceptions, each member of a listed company's audit, compensation, and nominating and corporate governance committees be independent and that audit committee members also satisfy independence criteria set forth in Rule 10A-3 under the Exchange Act. Under NASDAQ Listing Rule 5605(a)(2), a director will only qualify as an "independent director" if, in the opinion of our Board, that person does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In order to be considered independent for purposes of Rule 10A-3 under the Exchange Act, a member of an audit committee of a listed company may not, other than in his or her capacity as a member of the audit committee, the board of directors, or any other board committee: (i) accept, directly or indirectly, any consulting, advisory, or other compensatory fee from the company or any of its subsidiaries; or (ii) be an affiliated person of the company or any of its subsidiaries. In addition to satisfying general independence requirements under the NASDAQ Listing Rules, members of the compensation committee must also satisfy additional independence requirements set forth in Rule 10C-1 under the Exchange Act and NASDAQ Listing Rule 5605(d)(2). Pursuant to Rule 10C-1 under the Exchange Act and NASDAQ Listing Rule 5605(d)(2), in affirmatively determining the independence of a member of a compensation committee of a listed company, the board of directors must consider all factors specifically relevant to determining whether that member has a relationship with the company that is material to that member's ability to be independent from management in connection with the duties of a compensation committee member, including: (a) the source of compensation of such member, including any consulting, advisory or other compensatory fee paid by the company to such member; and (b) whether such member is affiliated with the company, a subsidiary of the company or an affiliate of a subsidiary of the company.

## [Table of Contents](#)

The Board undertook a review of the composition of our Board and its committees and the independence of each director. In reviewing the independence of our directors, our Board considered the relationships that each such non-employee director has with our company and all other facts and circumstances our Board deemed relevant in determining independence, including the beneficial ownership of our capital stock by each non-employee director. Based upon information requested from and provided by each director concerning his or her background, employment and affiliations, including family and other relationships, including those relationships described under “Transactions with Related Persons,” the Board affirmatively determined that all of its directors satisfy general independence requirements under the NASDAQ Listing Rules, other than Dr. Williams and Mr. Knickerbocker. In making this determination, the Board found that none of the directors, other than Dr. Williams and Mr. Knickerbocker, had a material or other disqualifying relationship with us that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director, and that each director, other than Dr. Williams and Mr. Knickerbocker, is “independent” as that term is defined under Rule 5605(a)(2) of the NASDAQ Listing Rules. The Board determined that Dr. Williams, our President and Chief Executive Officer, and Mr. Knickerbocker, our Senior Vice President and Chief Business Officer, are not independent directors by virtue of their current employment with us. The Board also determined that each member of the audit, compensation, and nominating and corporate governance committees satisfies the independence standards for such committees established by the SEC and the NASDAQ Listing Rules, as applicable.

### **Committees of the Board of Directors**

The Board has three committees: an audit committee, a compensation committee and a nominating and corporate governance committee. The following table provides membership and meeting information for the year ended December 31, 2013, for each committee:

corporate governance standards of the NASDAQ Listing Rules and the independence requirements of Rule 10A-3 of the Exchange Act. In addition, the Board has determined that each member of the audit committee is financially literate and that Mr. Berger qualifies as an “audit committee financial expert” as such term is currently defined in Item 407(d)(5) of Regulation S-K. In making this determination, the Board considered the formal education and nature and scope of Mr. Berger’s previous experience, coupled with past and present service on various audit committees. The audit committee operates under a written charter that satisfies the applicable standards of the SEC and the NASDAQ Listing Rules, which is available on our website at [www.fiveprime.com](http://www.fiveprime.com). The inclusion of our website address here and elsewhere in this proxy statement does not include or incorporate by reference the information on our website into this proxy statement.

### **Audit Committee Report(1)**

The audit committee has reviewed and discussed the audited financial statements for the fiscal year ended December 31, 2013 with management and our independent registered public accounting firm, Ernst & Young LLP. The audit committee has discussed with Ernst & Young LLP the matters required to be discussed by Public Company Accounting Oversight Board, or PCAOB, Auditing Standard No. 16, Communications with Audit Committees. The audit committee has also received the written disclosures and the letter from Ernst & Young LLP required by applicable requirements of the PCAOB regarding Ernst & Young LLP’s communications with the audit committee concerning independence, and has discussed with Ernst & Young LLP the firm’s independence. Based on the foregoing, the audit committee recommended to the Board that our audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2013 for filing with the SEC.

#### **Compensation Committee**

The compensation committee approves our compensation objectives, approves the compensation of our Chief Executive Officer and approves or recommends to the Board for approval the compensation for other executives. The compensation committee reviews all compensation components, including base salary, bonus, equity compensation, benefits and other perquisites. In determining or making recommendations regarding the compensation and other terms of employment of our executive officers, other than our Chief Executive Officer, the compensation committee may, at its sole discretion, consider the recommendations of the Chief Executive Officer. In fulfilling its responsibilities, the compensation committee may delegate any or all of its responsibilities to a subcommittee of the compensation committee, but only to the extent consistent with our amended and restated certificate of incorporation, our amended and restated bylaws, Section 162(m) of the U.S. Internal Revenue Code of 1986, as amended, or the Code, the NASDAQ Listing Rules, and other applicable law.

Messrs. Atwood and McDade and Dr. Jensen served as members of the compensation committee in 2013, with Mr. McDade serving as the chairman. standards of the NASDAQ Listing Rules and the independence requirements of Rule 10C-1 of the Exchange Act. The compensation committee operates under a written charter that satisfies the applicable standards of the SEC and the NASDAQ Listing Rules, which is available on our website at [www.fiveprime.com](http://www.fiveprime.com).

Pursuant to its charter, the compensation committee has the sole authority to retain compensation consultants to assist in its evaluation of executive and director compensation. The compensation committee engaged Radford as a compensation consultant in 2013. The compensation committee instructed the consultant to develop market comparisons and recommendations regarding the compensation of senior executive officers and Board members in preparation for our becoming a public company. In 2013, Radford provided recommendations regarding the levels of compensation of senior executive officers relative to our industry peers. The compensation committee took into account the recommendations of Radford and utilized information, including peer data, regarding the compensation of our directors and senior executive officers provided by the consultant in evaluating, recommending and determining compensation levels.

### ***Nominating and Corporate Governance Committee***

The nominating and corporate governance committee is responsible for making recommendations to the Board regarding candidates for directorships and the structure and composition of our Board and its committees. In addition, the nominating and corporate governance committee is responsible for considering nominations by stockholders of candidates for election to the Board, developing and recommending to the Board corporate governance guidelines applicable to the company and advising the Board on corporate governance matters.

Drs. Jensen and Cohen and Mr. Berger served as members of the nominating and corporate governance committee in 2013, with Dr. Jensen serving as the chairman. Each member of the nominating and corporate governance committee is a non-employee director within the meaning of Rule 16b-3 of the rules promulgated under the Exchange Act, and each is an independent director under the corporate governance standards of the NASDAQ Listing Rules. The nominating and corporate governance committee operates under a written charter that satisfies the applicable standards of the NASDAQ Listing Rules, which is available on our website at [www.fiveprime.com](http://www.fiveprime.com).

It is the policy of the nominating and corporate governance committee to select individuals as director nominees so that the Board as a whole collectively possesses a broad range of skills, expertise, industry and other knowledge, and business and other experience useful to the effective oversight of our business. When considering candidates for the Board, the nominating and corporate governance committee may consider the following criteria, among others the nominating and corporate governance committee shall deem appropriate: (i) diversity of personal background, perspective and experience; (ii) personal and professional integrity, ethics and values; (iii) experience in corporate management; (iv) experience relevant to our industry and with relevant social policy concerns; (v) experience as a board member or executive officer of another publicly held company; (vi) relevant academic expertise; (vii) practical and mature business judgment, including ability to make independent analytical inquiries; and (viii) promotion of a diversity of business or career experience relevant to our success. Stockholder nominees are analyzed by the nominating and corporate governance committee in the same manner as nominees identified by the nominating and corporate governance committee. If the nominating and corporate governance committee believes a candidate would be a valuable addition to the Board, it will recommend to the full Board that candidate's election. The nominating and corporate governance committee also has the authority to retain any search firm to assist in the identification of director candidates. During 2013, the nominating and corporate governance committee did not retain any such search firm, and did not pay a fee to any third party to identify or evaluate director candidates.

In accordance with our amended and restated bylaws and the charter of the nominating and corporate governance committee, nominations and recommendations of individuals for election to the Board at an annual meeting of stockholders may be made by any stockholder of record entitled to vote for the election of directors at such meeting who provides timely notice in writing to our Secretary at our principal executive offices. To be timely,

we must receive the notice not less than 90 days nor more than 120 days prior to the first anniversary of the date of the prior year's annual meeting; provided, however, that in the event that the date of the annual meeting is more than 30 days before or more than 60 days after such anniversary date, we must receive the stockholder's notice (i) no earlier than the close of business on the 120th day prior to the proposed date of the annual meeting and (ii) no later than the close of business on the later of the 90th day prior to the annual meeting or the 10th day following the day on which we first make a public announcement of the date of the annual meeting. The stockholder's written notice must contain specific information required in Section 2.13 of our amended and restated bylaws. For additional information about our director nomination requirements, please see our amended and restated bylaws.

**Compensation Committee Interlocks and Insider Participation**

Our compensation committee currently consists of Messrs. Atwood and McDade and Dr. Jensen. None of the members of our compensation committee has ever been an officer or employee of ours. None of our executive officers serves, or has served during the last three years, as a member of the board of directors, compensation committee or other board committee performing equivalent functions of any entity that has one or more of its executive officers serving as one of our directors or on our compensation committee.

**Board Leadership Structure and Role in Risk Oversight**

***Board Leadership Structure***

The positions of our Chairman of the Board and Chief Executive Officer are separated. Separating these positions allows our Chief Executive Officer to focus on our day-to-day business, while allowing the Chairman of the Board to lead our Board in its fundamental role of providing advice to and independent oversight of management. Our Board recognizes the time, effort and energy that the Chief Executive Officer must devote to his position in the current business environment, as well as the commitment required to serve as our Chairman, particularly as the Board's oversight responsibilities continue to grow. Our Board also believes that this structure ensures a greater role for the independent directors in the oversight of our company and active participation of the independent directors in setting agendas and establishing priorities and procedures for the work of the Board.

Although our amended and restated bylaws do not require that we separate the Chairman of the Board and Chief Executive Officer positions, our Board believes that having separate positions is the appropriate leadership structure for us at this time. The Board recognizes that depending on the circumstances, other leadership models, such as combining the role of Chairman of the Board with the role of Chief Executive Officer, might be appropriate. Accordingly, our Board may periodically review its leadership structure. The Board believes its administration of its risk oversight function has not affected its leadership structure.

Our independent directors meet alone in executive session at no less than four regular meetings of the Board each year. The Chairman of the Board may call additional executive sessions of the independent directors at any time, and the Chairman of the Board shall call an executive session at the request of a majority of the independent directors. The purpose of these executive sessions is to promote open and candid discussion among non-employee directors.

***Role of the Board in Risk Oversight***

Risk is inherent with every business, and how well a business manages risk can ultimately determine its success. We face a number of risks. Our Board believes that risk management is an important part of establishing, updating and executing on our business strategy. The Board, as a whole and at the committee level, has oversight responsibility relating to risks that could affect our corporate strategy, business objectives, compliance, operations, financial condition and performance. Our Board focuses its oversight on the most significant risks facing us and on its processes to identify, prioritize, assess, manage and mitigate those risks. The Board and its committees receive regular reports from members of our senior management on areas of material risk to us,

including strategic, operational, financial, legal and regulatory risks. While our Board has an oversight role, management is principally tasked with direct responsibility for management and assessment of risks and the implementation of processes and controls to mitigate their effects on us.

The audit committee, as part of its responsibilities, oversees the management of financial risks, including accounting matters, liquidity and credit risks, corporate tax positions, insurance coverage, and cash investment strategy and results. The audit committee is also responsible for overseeing the management of risks relating to the performance of our internal audit function, if required, and its independent registered public accounting firm, as well as our systems of internal controls and disclosure controls and procedures. The compensation committee is responsible for overseeing the management of risks relating to our executive compensation and overall compensation and benefit strategies, plans, arrangements, practices and policies. The nominating and corporate governance committee oversees the management of risks associated with our overall compliance and corporate governance practices, and the independence and composition of our Board. These committees provide regular reports, on at least a quarterly basis, to the full Board.

These amounts do not correspond to the actual value that the named executive officers will recognize.
- (2) Amounts represent amounts earned under our bonus program for the respective year based on the achievement of company and individual performance goals and other factors deemed relevant by our Board and compensation committee. In 2013, our company goals related to the advancement of our clinical and preclinical programs, business and corporate development objectives, internal discovery and discovery collaboration objectives and financial management objectives. We determined Dr. Williams’ annual performance bonus based on attainment of company objectives and his leadership of the company, which bonus our Board and compensation committee determined was appropriate given his responsibility for the overall direction and success of our business. We based annual performance bonuses for each of the other named executive officers on an equal balance of company performance (50%) and individual performance (50%), which our Board and compensation committee determined was appropriate in order to reinforce the importance of integrated and collaborative leadership. For 2013, the compensation committee determined that each of Dr. Williams, Dr. Hambleton and Mr. Knickerbocker were entitled to an annual bonus equal to approximately 57.1%, 39.4% and 41.0%, respectively, of their annual base salary.

**Offer Letter and Severance Agreements**

**Offer Letter Agreements**

We have entered into employment offer letter agreements with all of our named executive officers other than our founder, Dr. Williams. We designed these agreements to be part of a competitive compensation package and to keep our executive officers focused on our business goals and objectives. These agreements provide for base salaries and incentive compensation benefits, and each component reflects the scope of each named executive officer's anticipated responsibilities and the individual experience they bring to the company.

**Julie Hambleton.** We entered into an employment offer letter with Dr. Hambleton on November 19, 2012, for the position of Senior Vice President and Chief Medical Officer. Pursuant to Dr. Hambleton's employment offer letter, we agreed to an initial annual base salary and target bonus. We also agreed to pay Dr. Hambleton a sign-on bonus and to grant to Dr. Hambleton an option to purchase shares of our common stock, subject to approval by the Board. Dr. Hambleton's annual base salary increased from \$350,000 to \$385,000 on February 1, 2014. Dr. Hambleton's annual target bonus is currently 35% of her annual base salary. Dr. Hambleton is eligible to participate in our employee benefit plans on the same terms as other regular, full-time employees.

**Aron M. Knickerbocker.** We entered into an employment offer letter with Mr. Knickerbocker on September 8, 2009, for the position of Vice President, Business Development. We subsequently promoted Mr. Knickerbocker to Senior Vice President and Chief Business Officer. Pursuant to Mr. Knickerbocker's employment offer letter, we agreed to an initial annual base salary, a target bonus and a hiring bonus. We also agreed to grant to Mr. Knickerbocker options to purchase shares of our common stock, subject to approval by the Board. Currently,

Mr. Knickerbocker's annual base salary is \$364,000 and his annual target bonus is 40% of his annual base salary. Mr. Knickerbocker is eligible to participate in our employee benefit plans on the same terms as other regular, full-time employees.

**Severance Agreements**

We have entered into executive severance benefits agreements, or the severance agreements, with each of our named executive officers. These severance agreements provide that, in the event we terminate the executive's employment without "cause," as defined in the severance agreements, at any time or we terminate the executive's employment without cause or he or she resigns for "good reason," as defined in the severance agreements, within three months prior to or 12 months following a change of control of the company, the executive will be entitled to receive the severance benefits described below, subject to executing a general release of claims in favor of us and complying with, among other things, the confidentiality and non-compete provisions of his or her severance agreement.

In addition, the severance agreements provide that in the event that the severance and other benefits provided for or otherwise payable to the executive constitute "parachute payments" within the meaning of Section 280G of the Code and are subject to the excise tax imposed by Section 4999 of the Code, then we will pay (i) the executive's severance benefits under the severance agreement in full if the quotient obtained by dividing (a) the excess of (1) the full payment, over (2) the largest payment possible without the imposition of the excise tax, or the reduced payment, by (b) the reduced payment, is greater than 10%, or (ii) the reduced payment if such quotient is less than or equal to 10%.

***Lewis T. Williams.*** In the event of termination without cause or his resignation for good reason, Dr. Williams will be entitled to: (i) payments equal to 12 months of his base salary and pro-rata annual bonus, as in effect on the date of his termination, payable in substantially equal installments in accordance with our normal payroll policies then in effect, less applicable withholdings, with such installments to commence on the first payroll period following the later of the date of his termination and the effective date of his general release of claims; (ii) acceleration of 50% of any unvested shares subject to outstanding options to purchase our common stock held by Dr. Williams on the date of his termination; (iii) lapse of our reacquisition or repurchase rights with respect to 50% of any unvested shares of common stock issued or issuable pursuant to any other stock award granted to Dr. Williams pursuant to an equity incentive plan; and (iv) if elected by Dr. Williams, payment or reimbursement of COBRA premiums through the earlier of 12 months from his termination date or the date he and his covered dependents, if any, become eligible for group health insurance through another employer.

In connection with termination without cause or resignation for good reason following a change of control, Dr. Williams will be entitled to: (i) payments equal to 24 months of his base salary and pro-rata annual bonus, as in effect on the date of the change of control or the date of his termination, payable in substantially equal installments in accordance with our normal payroll policies then in effect, less applicable withholdings, with such installments to commence on the first payroll period following the later of the date of his termination and the effective date of his general release of claims; (ii) acceleration of all unvested shares subject to outstanding options to purchase our common stock held by Dr. Williams on the date of his termination; (iii) lapse of our reacquisition or repurchase rights with respect to all unvested shares of common stock issued or issuable pursuant to any other stock award granted to Dr. Williams pursuant to an equity incentive plan; and (iv) if elected by Dr. Williams, payment or reimbursement of COBRA premiums through the earlier of 24 months from his termination date or the date he and his covered dependents, if any, become eligible for group health insurance through another employer.

In connection with termination without cause or resignation for good reason following a change of control, Dr. Hambleton will be entitled to: (i) payments equal to 18 months of her base salary and pro-rata annual bonus, as in effect on the date of the change of control or the date of her termination, payable in substantially equal installments in accordance with our normal payroll policies then in effect, less applicable withholdings, with such installments to commence on the first payroll period following the date of her termination; (ii) acceleration of all unvested shares subject to outstanding options to purchase our common stock held by Dr. Hambleton on the date of her termination; (iii) lapse of our reacquisition or repurchase rights with respect to all unvested shares of common stock issued or issuable pursuant to any other stock award granted to Dr. Hambleton pursuant to an equity incentive plan; and (iv) if elected by Dr. Hambleton, payment or reimbursement of COBRA premiums through the earlier of 18 months from her termination date or the date she and her covered dependents, if any, become eligible for group health insurance through another employer.

***Aron M. Knickerbocker.*** In the event of termination without cause, Mr. Knickerbocker will be entitled to: (i) payments equal to nine months of his base salary and pro-rata annual bonus, as in effect on the date of his termination, payable in substantially equal installments in accordance with our normal payroll policies then in effect, less applicable withholdings, with such installments to commence on the first payroll period following the later of the date of his termination and the effective date of his general release of claims; (ii) acceleration of 50% of any unvested shares subject to outstanding options to purchase our common stock held by Mr. Knickerbocker on the date of his termination; (iii) lapse of our reacquisition or repurchase rights with respect to 50% of any unvested shares of common stock issued or issuable pursuant to any other stock award granted to Mr. Knickerbocker pursuant to an equity incentive plan; and (iv) if elected by Mr. Knickerbocker, payment or reimbursement of COBRA premiums through the earlier of nine months from his termination date or the date he and his covered dependents, if any, become eligible for group health insurance through another employer.

In connection with termination without cause or resignation for good reason following a change of control, Mr. Knickerbocker will be entitled to: (i) payments equal to 18 months of his base salary and pro-rata annual bonus, as in effect on the date of the change of control or the date of his termination, payable in substantially equal installments in accordance with our normal payroll policies then in effect, less applicable withholdings, with such installments to commence on the first payroll period following the date of his termination; (ii) acceleration of all unvested shares subject to outstanding options to purchase our common stock held by Mr. Knickerbocker on the date of his termination; (iii) lapse of our reacquisition or repurchase rights with respect to all unvested shares of common stock issued or issuable pursuant to any other stock award granted to Mr. Knickerbocker pursuant to an equity incentive plan; and (iv) if elected by Mr. Knickerbocker, payment or reimbursement of COBRA premiums through the earlier of 18 months from his termination date or the date he and his covered dependents, if any, become eligible for group health insurance through another employer.

### **Other Benefits**

Our named executive officers are eligible to participate in all of our employee benefit plans, such as medical, dental, vision, group life, short and long-term disability, and our 401(k) plan, in each case on the same basis as other employees, subject to applicable laws. We also provide vacation and other paid holidays to all employees, including our named executive officers.

We believe these benefits are important to attracting and retaining experienced executives. We do not currently provide perquisites to our executive officers, given our attention to the cost-benefit tradeoff of such benefits, and the Board's knowledge of the benefit offerings at other public companies.

**Tax and Accounting Considerations**

**Section 162(m).** Section 162(m) of the Code generally disallows a tax deduction for compensation in excess of \$1.0 million paid to our Chief Executive Officer and our three other most highly paid executive officers other than our principal financial officer. Qualifying performance-based compensation is not subject to the deduction limitation if specified requirements are met. We generally intend to structure the performance-based portion of our executive compensation, when feasible, to comply with exemptions in Section 162(m) so that the compensation remains tax deductible to us. However, our Board may, in its judgment, authorize compensation payments that do not comply with the exemptions in Section 162(m) when it believes that such payments are appropriate to attract and retain executive talent.

**Section 409A.** The compensation committee also takes into account whether components of our compensation program may be subject to the penalty tax associated with Section 409A of the Code, and aims to structure the elements of compensation to comply with or be exempt from Section 409A to avoid such potential adverse tax consequences.

**Sections 4999 and 280G.** Section 4999 of the Code imposes a 20% excise tax on certain “excess parachute payments” made to “disqualified individuals.” Under Section 280G of the Code, such excess parachute payments are also nondeductible to the payor. If payments that are contingent on a change in control to a disqualified individual (which terms include the named executive officers) exceed three times the individual’s “base amount,” they constitute “excess parachute payments” to the extent they exceed one times the individual’s base amount.

We have entered into agreements with each of our named executive officers, pursuant to which we will cap the payments to these executives if needed to avoid application of Sections 4999 and 280G, but only if the officer is better off on a net after-tax basis by at least 10%. We would not be permitted to claim a federal income tax deduction for the portion of the change of control payment that constitutes an “excess parachute payment.”

**ASC 718.** In addition, we account for equity compensation paid to our employees in accordance with ASC 718, which requires us to estimate and record an expense over the service period of the award. We record cash compensation as an expense at the time the obligation is accrued. The accounting impact of our compensation programs is one of many factors that we consider in determining the size and structure of our programs.

**Equity Benefit Plans**

**2013 Omnibus Incentive Plan and Prior Equity Plans**

**General.** In June 2013, our Board adopted and in September 2013, our stockholders approved our 2013 Omnibus Incentive Plan, or 2013 Plan, for the purpose of attracting and retaining non-employee directors, executive officers and other key employees and service providers, including officers, employees and service providers of our affiliates, and to stimulate their efforts toward our continued success, long-term growth and profitability. The 2013 Plan provides for the grant of stock options, stock appreciation rights, restricted stock, unrestricted stock, stock units, dividend equivalent rights, other equity-based awards and cash bonus awards. We also maintain the 2010 Equity Incentive Plan and 2002 Equity Incentive Plan, or the Prior Plans, which have been terminated and under which no future awards will be granted, but under which outstanding options have been granted. These options will continue to be governed by the terms of the applicable Prior Plan.

**Authorized Shares.** As of March 17, 2014, we had 4,151,221 shares of common stock reserved for issuance pursuant to the 2013 Plan. On January 1 of every year, the number of shares of common stock available for issuance under the 2013 Plan shall automatically increase by 4% of the total number of issued and outstanding shares of our common stock as of December 31 of the immediately preceding year. On January 1, 2014, the total number of shares available for issuance under the 2013 Plan was increased by 673,685 shares pursuant to this provision. As of December 31, 2013, options to purchase 36,620 shares of our common stock were outstanding under the 2013 Plan and 2,200,377 under the Prior Plans.

***Change in Control.*** If we experience a change in control in which equity-based awards under the 2013 Plan that are not exercised prior to the change in control will not be assumed or continued by the surviving entity, unless otherwise provided in an award agreement: (i) all restricted shares will vest, and all stock units and dividend equivalents will vest and the underlying shares will be delivered immediately before the change in control, and (ii) at the Board's discretion either all options and stock appreciation rights will become exercisable 15 days before the change in control and terminate upon the consummation of the change in control, or all options, stock appreciation rights, restricted shares and stock units may be cancelled before the change in control in exchange for payment of any amount in cash or securities having a value (as determined by our Board), in the case of restricted shares or stock units, equal to the formula or fixed price per share paid to our stockholders and, in the case of options and stock appreciation rights, equal to the product of the number of shares subject to the option or stock appreciation right multiplied by the amount by which the formula or fixed price paid to our stockholders exceeds the exercise price of the option or the stock appreciation right. In the case of performance shares and performance units, however, if more than half of the performance period has lapsed, we will convert the performance shares based on actual performance to date. If less than half of the performance period has lapsed, or if we cannot determine actual performance, we will convert the performance shares and performance units assuming target performance has been achieved.

### **2013 Employee Stock Purchase Plan**

***General.*** In August 2013, our Board adopted and in September 2013, our stockholders approved a 2013 Employee Stock Purchase Plan, or ESPP. The purpose of the ESPP is to enable our eligible employees, through payroll deductions or cash contributions, to purchase shares of our common stock, to increase our employees' interest in our growth and success and encourage employees to remain in our employment. Any of our employees may participate in the ESPP, except: (i) an employee whose customary employment is less than 20 hours per week; and (ii) an employee who, after exercising his or her rights to purchase common stock under the ESPP, would own shares of common stock (including shares that may be acquired under any outstanding options) representing 5% or more of the total combined voting power of all classes of our capital stock. An employee must be employed on the last trading day of the purchase period, or a purchase date, to acquire common stock under the ESPP unless the employee has retired, died or become disabled, been laid off, discharged without cause or is on an approved leave of absence.

***Authorized Shares.*** As of March 17, 2014, we had 418,421 shares of common stock reserved for purchase by our eligible employees. In addition, the number of shares of common stock available for purchase by our eligible employees under the ESPP will automatically increase annually on January 1 until (and including) January 1, 2023, in an amount equal to the lesser of (i) 1% of the total number of issued and outstanding shares of our common stock as of December 31 of the immediately preceding year, or (ii) 300,000 shares of our common stock. Notwithstanding the foregoing, our Board may act prior to January 1 of any calendar year to provide that there shall be no increase in the share reserve for such calendar year or that the increase in the share reserve for such calendar year shall be a lesser number of shares of common stock than would otherwise occur pursuant to the preceding sentence. On January 1, 2014, the total number of shares available for issuance under the ESPP was increased by 168,421 shares pursuant to this provision.

### **401(k) Retirement Plan**

We maintain a defined contribution employee retirement plan for our employees. Our 401(k) plan is intended to qualify as a tax-qualified plan under Section 401 of the Code so that contributions to our 401(k) plan and income earned on such contributions are not taxable to participants until withdrawn or distributed from the 401(k) plan. Our 401(k) plan provides that each participant may contribute up to 100% of his or her pre-tax compensation, up to a statutory limit of \$17,500 for 2013 and 2014. Participants who are at least 50 years old can also make "catch-up" contributions, which in 2013 and 2014 may be up to an additional \$5,500 above the statutory limit. Our 401(k) plan also permits us to make discretionary and matching contributions, subject to established limits and a vesting schedule. To date, we have not made any discretionary or matching contributions to the plan on behalf of participating employees.

## DIRECTOR COMPENSATION

### Cash and Equity Compensation

We maintain a non-employee director compensation policy, pursuant to which each non-employee director receives an annual base cash retainer of \$35,000. In addition, our non-employee directors receive the following cash compensation for Board services, as applicable:

- the Chairman of the Board receives an additional annual retainer of \$35,000;

- each chairperson of our audit, compensation and nominating and corporate governance committees receives an additional annual retainer of \$20,000, \$15,000 and \$9,500, respectively.

We pay all amounts in quarterly installments. We also reimburse each of our directors for their travel expenses incurred in connection with their attendance at Board and committee meetings.

In addition, during 2013, newly appointed non-employee directors received a one-time initial award of options to purchase 25,000 shares of our common stock, which will vest in equal annual installments over a three-year period, subject to the director's continued service on the Board. Thereafter, each non-employee director will receive an annual award of options to purchase 12,500 shares of our common stock, which will vest in its entirety on the earlier to occur of (i) the one-year anniversary of the grant date and (ii) the day before the subsequent annual meeting of stockholders, subject to the director's continued service on the Board.

These indemnification agreements and our amended and restated certificate of incorporation and amended and restated bylaws provide for indemnification of each of our directors and executive officers to the fullest extent permitted by Delaware law.

## TRANSACTIONS WITH RELATED PERSONS

### Policies and Procedures Regarding Transactions with Related Persons

We have adopted a policy in which either (i) our audit committee (or any other committee of the Board consisting of independent directors), or (ii) the full Board reviews and approves all proposed related-person transactions. This review covers any transaction, arrangement or relationship, or any series of similar transactions, arrangements or relationships, in which we were or are to be a participant, the amount involved exceeds \$120,000, and a related person had or will have a direct or indirect material interest, including purchases of goods or services by or from a related person or entities in which the related person has a material interest, and indebtedness, guarantees of indebtedness and employment by us of a related person. A “related person” is any person who is or was one of our executive officers, directors or director nominees or is a holder of more than 5% of our common stock, or their immediate family members or any entity owned or controlled by any of the foregoing persons.

Other than the participation in our initial public offering, all of the transactions described below were entered into prior to the adoption of this policy and were approved by the Board.

### Certain Related-Person Transactions

We describe below transactions and series of similar transactions since January 1, 2013 to which we were a party or will be a party, and in which:

- the amounts involved exceeded or will exceed \$120,000; and
- any of our directors, executive officers or holders of more than 5% of our capital stock, or an affiliate or immediate family member thereof, had or will have a direct or indirect material interest, other than compensation, termination and change of control arrangements with our named executive officers and directors, which are described where required under “Executive Compensation—Offer Letter and Severance Agreements” and “Director Compensation—Cash and Equity Compensation.”

We believe the terms obtained or consideration that we paid or received, as applicable, in connection with the transactions described below were comparable to terms available or the amounts that we would pay or receive, as applicable, in arm’s-length transactions with unrelated third parties.

### Participation in Our Initial Public Offering

The following table summarizes the participation in our initial public offering by certain parties and their affiliated entities who at the time of our initial public offering were holders of more than 5% of our capital stock:

**SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT**

The following table sets forth information regarding the beneficial ownership of shares of our common stock as of March 19, 2014, by (i) each named executive officer, (ii) each director and nominee for director, (iii) all directors and executive officers as a group and (iv) each person, or group of affiliated persons, who is known by us to beneficially own more than 5% of our outstanding common stock. Other than as set forth in this table, we are not aware of any person or group that holds in excess of 5% of our outstanding common stock.

Information with respect to beneficial ownership is based on information furnished to us by each director, executive officer or stockholder who holds more than 5% of our outstanding common stock, and Schedules 13G or 13D filed with the SEC, as the case may be. Beneficial ownership is determined according to the rules of the SEC and generally means that a person has beneficial ownership of a security if he or she possesses sole or shared voting or investment power of that security, and includes options and warrants that are currently exercisable within 60 days of March 19, 2014. Options to purchase shares of our common stock that are exercisable within 60 days of March 19, 2014, are deemed to be beneficially owned by the persons holding these options for the purpose of computing percentage ownership of that person, but are not treated as outstanding for the purpose of computing any other person's ownership percentage. Except as indicated in the footnotes below, each of the beneficial owners named in the table below has, to our knowledge, sole voting and investment power with respect to all shares of common stock listed as beneficially owned by him or her, except for shares owned jointly with that person's spouse.

We have based our calculation of beneficial ownership on 21,357,363 shares of our common stock outstanding as of March 19, 2014.

Unless otherwise indicated, the address for each of the stockholders in the table below is c/o Five Prime Therapeutics, Inc., Two Corporate Drive, South San Francisco, California 94080.

## SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors, executive officers and persons who own more than 10% of our common stock to report to the SEC their initial ownership of our common stock and any subsequent changes in that ownership. The SEC has established specific due dates for these reports and we are required to disclose in this proxy statement any late filings or failures to file.

Based solely on our review of the copies of such reports furnished to us and written representations from reporting persons that no other reports were required during the fiscal year ended December 31, 2013, we believe that, during the 2013 fiscal year, all of our directors and executive officers complied with all Section 16(a) filing requirements applicable to them.

## HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for stockholders and cost savings for companies.

This year, a number of brokers with account holders who are our stockholders will be “householding” our Proxy Materials. A single set of Proxy Materials will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be “householding” communications to your address, “householding” will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in “householding” and would prefer to receive a separate set of Proxy Materials, please notify your broker.

You may also request an additional proxy statement and annual report by sending a written request to:

Five Prime Therapeutics, Inc.  
Attn: Francis W. Sarena, Secretary  
Two Corporate Drive  
South San Francisco, California 94080  
(415) 365-5600

Stockholders who currently receive multiple copies of the proxy statement at their addresses and would like to request “householding” of their communications should contact their brokers.
